WASHINGTON—Today Chairman Judd Gregg (R-NH) appointed Scott Gudes to serve as the new Senate Budget Committee staff director. Gudes is a former employee of the Office of Management and Budget (OMB), as well as the Defense Department, both Senate and House Appropriations Committees, and former head of the National Oceanic and Atmospheric Administration (NOAA).

“With Scott’s vast working experience, he will be able to bring extensive legislative knowledge to the committee. I look forward to having Scott lead the budget team in a successful effort to push an aggressive budget through Congress,” said Chairman Gregg.
